FAQ

Why should I do the course?

The Strata Industry in Australia is one of the fastest growing industry segments.

The A100 course provides a solid base on which further industry education can be added to by service providers to the industry.

Will the course be relevant for Service Providers?

The course content is designed to provide a detailed overview of all aspects of the Australian Strata industry.

Some learning maybe outside of the scope of a participants specific needs however it is important that service providers understand how the industry operates from within.

What are the benefits of completing this course?

The A100 course will provide service providers the opportunity to:

- Participate in an industry leading learning program designed specifically for Strata
- Gain a better understanding of the industry sector
- Network with Strata Managers and build relationships during the course.
- Gain the respect of Strata Managers for your commitment to the Strata Industry
- Promote the successful attainment of the A100 certificate on your email signatures
